PROFESSIONAL EXPERIENCE

Multimedia Designer | ServiceMax, Inc. | Remote Jan 2016 – Dec 2019

Designed courses, authored scripts, and created graphics to make videos and eLearning courses that taught admins how to manage the ServiceMax solution. Managed website and online store to promote and sell courses. Was the Lead Administrator for the Litmos LMS.

Freelance Contractor | Little Guy Learning | Remote Aug 2015 – Present

Create digital videos and eLearning modules for a variety of clients. Design websites and blogs. Provide LMS administrative support.

Learning Center Program Manager | LinkedIn | Remote Jul 2014 – Aug 2015

Implemented the Cornerstone OnDemand learning management system to organize and distribute the Social Selling with LinkedIn Sales Navigator curriculum. Responsible for driving more traffic and increasing engagement with courses and resources. Maintained WebEx Training Center for virtual training deliveries.

Instructional Designer | LinkedIn | Remote / San Francisco, CA Apr 2013 – Jul 2014

Created self-paced eLearning modules, presentations for instructor-led workshops, handouts, and digital videos to help customers build their skills as social selling professionals using LinkedIn Sales Navigator.

Curriculum Developer | VMware | Remote Jun 2012 – Mar 2013

Built eLearning modules to teach sales professionals how to sell VMware products. Authored voiceover scripts, created graphics, and managed stakeholder review processes. Wrote assessment questions for certification programs.

Sr Manager, Learning Services | Mindjet | San Francisco, CA Feb 2011 – Mar 2012

Created video tutorials to teach customers how to master product offerings. Wrote voiceover scripts, ran recording sessions, and created graphics. Managed technical documentation team and interns.

eLearning Instructional Designer (contract) | Epson | Remote Oct 2010 – Jan 2011

Built online courses to teach sales representatives and partners how to sell business and point-of-sale products. Created supplemental graphics and Flash animations. Wrote and recorded voiceover scripts.

Sr Instructional Designer (contract) | PayPal | San Jose, CA Aug 2010 – Oct 2010

Developed online courses to teach the basics of online financial transactions. Wrote voiceover scripts and assessment questions. Administered courses in GeoLearning LMS.

Manager, Online Sales Training | Apple | Cupertino, CA Oct 2003 – Apr 2010

Managed a team of Instructional Designers and Graphic Designers to create online courses for channel sales representatives. Met with global partners, Product Marketing, and external business groups to establish global curriculum. Worked closely with editing, localization, and support teams to build course development processes and translate materials. Provided business process expertise, project management, and documentation for CMS and LMS projects. Launched virtual training program using Adobe Connect.
